## *Support for gifted youth and their families*

Dear Current and Potential TDI Summer Camp 2019 Parents,

This summer, TDI is partnering with CampDoc.com to better serve our campers, Leadership Program participants, and staff. CampDoc.com offers online registration and an electronic health record system for camps. You will register your camper, pay for your camper's tuition, and complete their health and personal information (including strand choices) all in one place.

The security and privacy of your camper's health information is important to us. The CampDoc.com site is secure, encrypted, and password protected. Only TDI's administrative and health staff will have access to camper health information.

Once you sign up for a CampDoc.com account, you will be able to register your camper and make payments (using credit card or ACH) online. After this, you will receive more information on how to complete your camper's health and personal profile. Your account will continuously save your entered information, and you can leave the site and come back and pick up where you left off. Anything with a red box or asterisk \* is a non-optional question.

We're excited to let you know that your camper's health information will save from year-to-year, so once you complete it in CampDoc.com this season, you won't have to start from scratch next year.

CampDoc.com sends out periodic reminder emails for outstanding balances and incomplete health and personal information. These notifications will come from [campdoc.com](http://campdoc.com), so please add this to your safe sender list to avoid accidental delivery to junk and spam folders. We don't want you to miss important notices about camp!

Please note that CampDoc.com supports the current and previous major releases of Chrome, Firefox, Microsoft Edge, and Safari which provide improved security and performance for health information.

We are excited to continually improve, building safer, more productive and more efficient systems to create the best experience for you and your family! Please let Lucy ([lucy@tdivermont.org](mailto:lucy@tdivermont.org)) know if you have any questions.

We can't wait to see you this summer,

Lucy Bogue and Ellen Koier  
TDI Co-Directors

*The Green Mountain Center for Gifted Education, parent organization of the Talent Development Institute (TDI), is a 501(c)3 registered non-profit whose mission is affirming, educating, and supporting gifted youth and their families.*
